How Opensource changes the industry

Andrew Yongjoon Kong

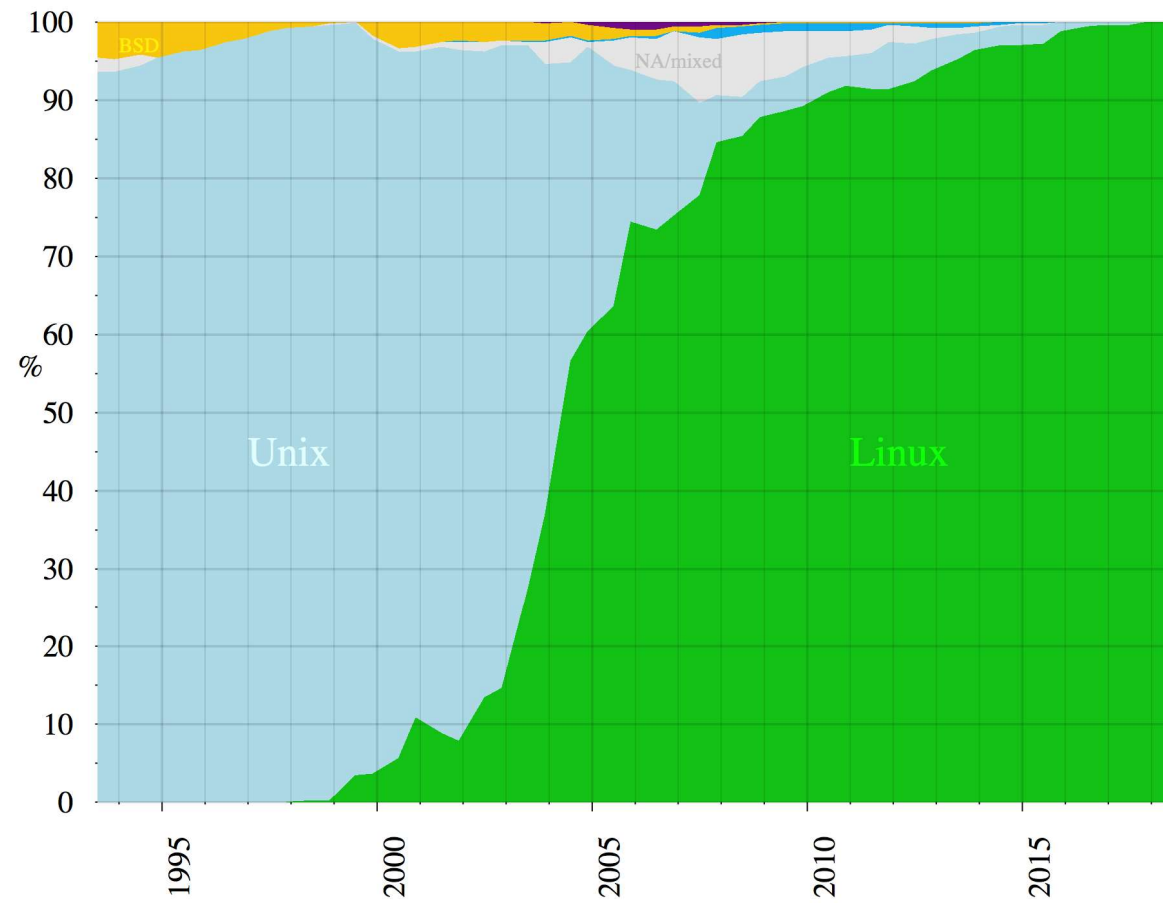

The genesis

RMS(Richard Matthew Stallman, not Root Mean Square) starts GNU to fight against exclusive code ownership

Why he starts this foundation?

Now Open Source has beaten the propriety OS

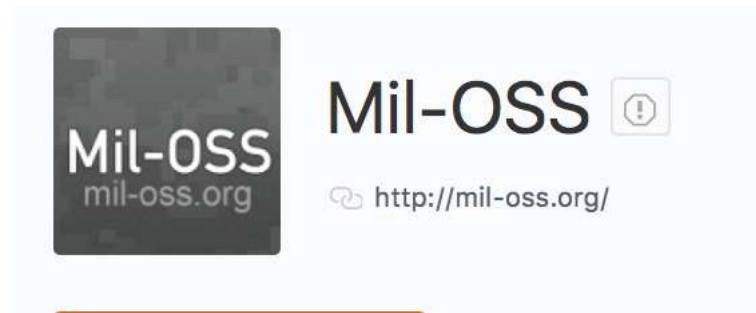

Now Open Source is beating the Transportation

Now Open Source is beating the Military

The Pentagon is set to make a big push toward open source software next year

by verge.com

Now Open Source is opening monetary transactions

openbankIT

Open-Source Banking Software Initiative

Apache Fineract

Now Open Source is changing how it is build

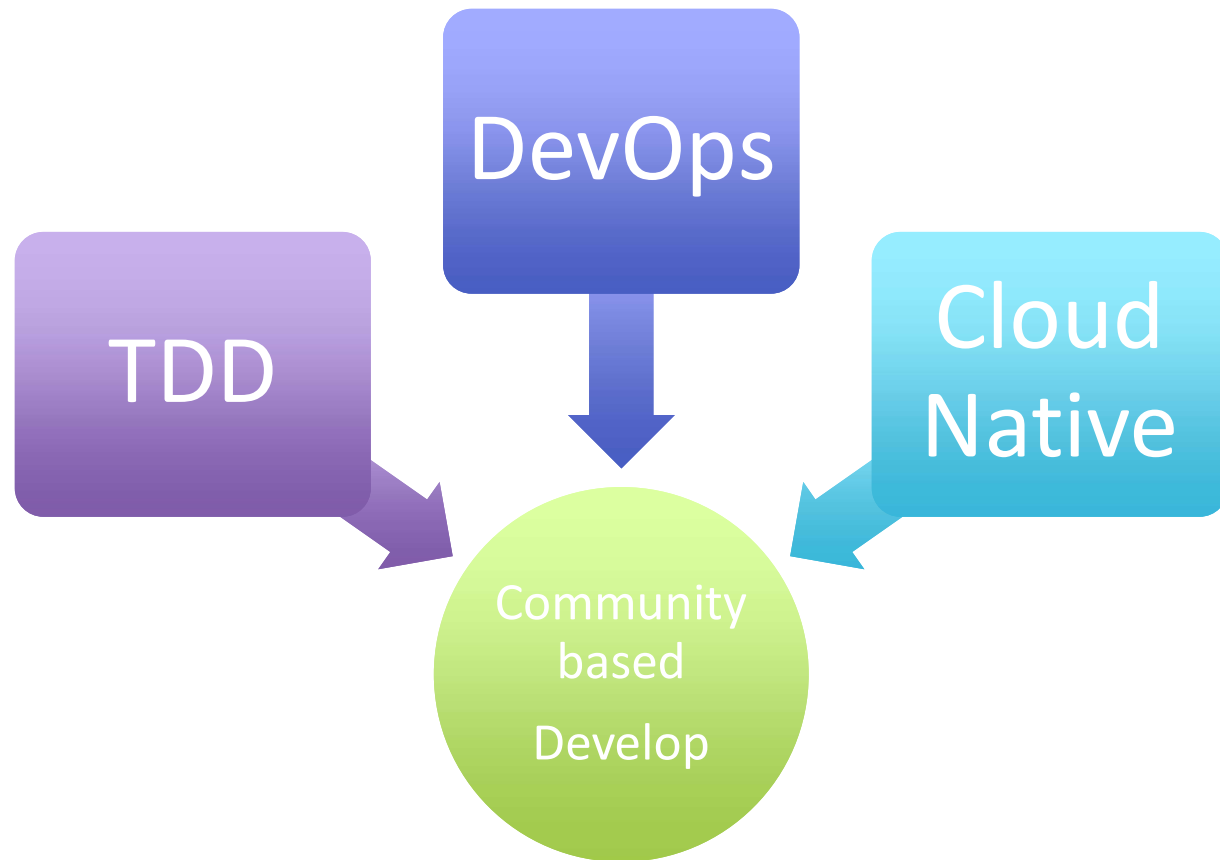

Benevolent Dictator For Life; BDFL

Community based

This is changing how software is build

Why?

BDFL is also human

- has feelings
- has ages
- sometimes want to retire though the name is 'For life'

Community: United we stand, Divide we fall!
